MANAGEMENT DISCUSSION AND ANALYSIS

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2024.

GLOBAL CHEMICAL INDUSTRY:

Global chemical production (excluding pharmaceuticals) is forecasted to increase by 2.7% in 2024, surpassing the growth rate of the previous year (2023: +1.7%). Advanced economies are expected to see modest production growth following a significant decline in previous year (2024: +0.8%, 2023: -4.9%), while growth in emerging markets is anticipated to grow slightly (2024: +3.5%, 2023: +4.8%). In China, the largest chemical market, lower but still notable growth in chemical production is expected at 4.0%. This growth is primarily driven by the consumer goods and electronics industries. Other emerging markets in Asia, are expected to gradually recover with India being the main growth contributor at 4.5%. United States is anticipated to see a slight recovery in chemical demand (2024: +1.1%, 2023: -1.0%) after a year marked by destocking and weak industrial growth. Growth is expected across most customer industries in the manufacturing sector, with additional growth expected in the automotive industry. However, uncertainties remain due to high interest rates and the risk of recession, particularly in the construction sector. In European Union (EU), despite challenges such as high cost levels and a weak economy, production is expected to stabilize at the current level (2024: +0.8%), factors such as lower gas prices and a slow recovery in demand for goods are expected to support chemical demand in Europe. Global agrochemicals market experienced a decline in 2023 due to channel destocking, price corrections, and volatile weather. This trend is reflected in a 25% decrease in crop protection chemical exports from India and a steeper decline in Chinese exports, emphasising the industry-wide impact and the need for adaptation. Despite challenges, a gradual recovery is anticipated in 2024.

Key Global Trends

Chemical industry is crucial to the global economy, serving sectors like agriculture, construction, automotive, FMCG, consumer durables, electronics, healthcare, and more. It is undergoing significant change due to mega trends like Sustainability & Localisation and Digitalisation.

Sustainability is reshaping the way chemicals are produced and used. Chemical sector faces pressure to reduce its environmental impact and promote sustainable practices. It is also vital in providing sustainable products and services.

- As a 'hard to abate' sector, access to clean energy is essential for sustainability. Leading chemical companies are committed to reducing carbon emissions in line with the Paris Climate Accords, contributing significantly to low carbon energy investments.
- In response to climate change concerns, regulatory frameworks are evolving, paving the way for the establishment of carbon markets to incentivise sustainability efforts within industries.

- Alongside carbon emissions, reducing water usage is critical. Companies are striving for water neutrality through strategies like recycling, low water technologies, and Zero Liquid Discharge (ZLD) systems. Developing sustainable chemicals and materials, guided by Green Chemistry principles, is a key trend. This involves creating renewable feedstock, ecofriendly processes, and ensuring waste is harmless. The demand for such products is projected to grow significantly in the coming years.

Digitalisation is revolutionising chemical industry, enhancing safety, efficiency, and productivity. Smart Factories, powered by Industry 4.0 technologies like automation, AI, and IIoT, are driving significant advancements.

- Digital tools such as remote monitoring, smart cameras, and VR/AR are improving safety metrics like TRIFR and PSI, while providing virtual training for emergency response.
- AI is revolutionising chemical R&D, expediting compound discovery, optimising reactions, and predicting properties. It accelerates new product development and shortens timelines, boosting industry agility and competitiveness.
- Automation is streamlining production, cutting manual labour, and reducing the risk of errors.
- Digital twins are slashing capex and time by replicating physical assets or processes.
- Blockchain is enhancing supply chain transparency and traceability in the chemical industry.

INDIAN ECONOMY:

For India, the outlook is notably more optimistic. The IMF has revised its growth forecast for India's GDP to 7.0% for FY 2024-25, up from earlier estimates, citing strong private consumption and robust public investment as key drivers. The RBI also aligns with this optimistic view, projecting a 7.0% growth rate for the same period. The resilience of the Indian economy is attributed to strong domestic demand, particularly in rural areas, which is crucial for sustaining growth and the government's commitment to infrastructure and capital expenditure is expected to bolster economic activity.

Risks and Challenges Despite the positive outlook, several risks could impact both global and Indian economies:

- **Geopolitical tensions:** Ongoing conflicts and trade disputes may disrupt supply chains and affect investor confidence.
- **Inflationary pressures:** Persistently high inflation in services could complicate monetary policy, leading to prolonged periods of elevated interest rates.
- **External demand:** A slowdown in major economies could dampen India's export growth, particularly in sectors like pharmaceuticals and chemicals.

The expectation of Anti-Dumping Duties (ADD) caused a significant increase in imports into the Indian market, leading to ongoing price declines and affecting sales volumes. Your company filed application before the Directorate General of Trade Remedies (DGTR) to impose Anti-Dumping Duties (ADD) on slabstock due to excessive dumping at low prices. As a result of your Company's efforts, the DGTR announced ADD on slabstock products on March 28, 2024, pending approval by the Finance Ministry. This announcement disrupted the slabstock market, leading importers to aggressively import products to capitalize on the situation, causing an oversupply in the market.

Glycol Ether

Increasing demand from the automotive industry

Automotive parts are coated with paints and coatings to protect them from moisture, abrasion, chemicals, and high temperature. Glycol ether-based solvents are used in paints and coatings to improve their blush resistance, evaporation rate, solvent release, solubility, and flow out and leveling properties. The demand for automotive paints and coatings will grow among consumers who invest in maintaining their vehicle's utmost appearance.

The high growth of the automotive industry especially in APAC will fuel the demand of automotive paints and coatings and consequently drive the growth of the glycol ethers market at a *CAGR of almost 5%* during the forecast period.

Rising demand for cosmetics products

Glycol ethers are increasingly being used as a low-cost replacement of fatty acid isopropyl esters and as a solvent for ingredients in cosmetics. The demand for cosmetic skin care products is increasing because of factors such as rapid urbanization, the growing popularity of social networks, growth of the upper middle class, and increasing online beauty spending.

With the rising demand for cosmetics products, the demand for glycol ethers is also expected to grow in the forthcoming years. Glycol ethers has also increase demand in agro industries. It has jump it demand to double and it will be upward trend in future. Looking to the same, APL after plan to expand its capacity.

Market Dynamics

The report looks at factors such as the rising demand from the construction industry, growing demand from emerging economies, and increasing demand from the automotive industry. However, fluctuation in raw material cost, stringent regulations and policies, and safe handling and transportation of glycol ethers may hamper the growth of the glycol ethers industry over the forecast period.

INDEPENDENT AUDITOR'S REPORT

To The Members of ADVANCE PETROCHEMICALS LIMITED

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **ADVANCE PETROCHEMICALS LIMITED** ("the Company"), which comprise the Balance Sheet as at **March 31, 2024**, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the standard on auditing specified u/s. 143(10) of the act (SAs). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of financial statements section of our report. We are independent of the company in accordance with the code of ethics issued by ICAI together with Independence Requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide the basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Principal Audit Procedures/ Auditor's Response
1	Valuation of Stock in Process	The Company is engaged in chemical activity and for the Purpose of valuation of stock Rs.618.54 Lakhs we have taken the value of stock as certified by the Management.
2	Investments	The company is having investment of Rs. 35.90 lakhs being 211600 equity shares of Advance Multitech Ltd Rs. 10 each .The shares of this company is listed at Mumbai stock Exchange ,but presently these are not traded since trading is suspended by the exchange on account of non compliance of some of the terms of exchange. Therefore, market value could not be determined .The company is in process of resumption of listing and expect that shares would be traded in the exchange. The fair value of investment is above than the cost of investment as per audited financial statement as on 31/03/2024. The management expects that on revocation of suspension, the shares may trade above its cost and on account of it; there is no permanent deterioration in the value of investment.

Information other than Financial Statements and Auditor's Report thereon

The company's Board of Directors' are responsible for the preparation of the other information. The other information comprises the information included in the management discussion and analysis, board's report including annexure to board's report, Business responsibility report, Corporate governance and Shareholder's information but does not include the financial statement and our auditor's report thereon.

Our opinion on the financial statements does not cover the information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is material misstatement of this other information; we are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended including the Companies (Indian Accounting Standards) Amendment Rules, 2019. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order issued under section 143(11) of the Act.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional Scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the bank has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause a Company to cease to continue as a going concern.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Report on Other Legal and Regulatory Requirements

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **ADVANCE PETROCHEMICALS LIMITED** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub- section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ADVANCE PETROCHEMICALS LIMITED** (“the Company”) as of **March 31, 2024** in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of ADVANCE PETROCHEMICALS LIMITED of even date)

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, and Plant and Equipment.
(B) The Company has intangible assets and has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a program of verification to cover all the items of Property and Plant and Equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property and Plant and Equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company except factory land having Gross block and Net Block of Rs 46000/-
 - (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
 - (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made there under.
- ii.
 - (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year. For stocks lying with third parties at the year-end, written confirmations have been obtained and for inward goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
 - (b) The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, during the year, from banks or financial institutions on the basis of security of current assets. The quarterly returns filed with Bank are in agreement with books accounts.

- iii. The Company has made investments in companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, in respect of which:
- (a) According to information and explanations given to us and on the basis of our examination of the records of the Company, The Company has not provided any loans or advances except advance given to staff in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
 - (b) According to information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
 - (c) According to information and explanations given to us and on the basis of our examination of the records of the Company, no loans except advance given to staff have been granted by the Company. Hence, reporting under clause 3(iii)(c) of the Order is not applicable.
 - (d) According to information and explanations given to us and on the basis of our examination of the records of the Company, no loans except advance given to staff have been granted by the Company. Hence, reporting under clause 3(iii)(d) of the Order is not applicable.
 - (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, no loans except advance given to staff have been renewed by the Company during the year. Hence, reporting under clause 3(iii)(e) of the Order is not applicable.
 - (f) The Company has not granted any loans or advances except advance given to staff in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) of the Order is not applicable.
- The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii. According to the information and explanations given to us, in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Value Added Tax, Customs Duty, Excise

Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at **March31, 2024** for a period of more than six months from the date they became payable.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix.
 - (a) The Company has taken loans or other borrowings from lender. However there is no default in repayment and hence reporting under clause 3(ix)(a) of the Order is not applicable.
 - (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company has taken term loan during the year and it was used for the same purpose for which it has been taken hence, reporting under clause 3(ix)(c) of the Order is not applicable.
 - (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- x.
 - (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi.
 - (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
 - (c) No complaints received by the Company from the whistle blower complaints during the year (and up to the date of this report).
- xii. The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.

- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. As per information and explanations given to us during the course of the audit and based on our examination of the records of the company, there are no unspent amounts towards Corporate Social Responsibility (CSR) on ongoing projects or other than ongoing projects. Accordingly transfer of unspent amount to a special account in compliance with provisions of sub-section (6) of Section 135 of the Companies Act, 2013 or transfer to a Fund specified in Schedule VII to the Companies Act 2013 in compliance with second proviso to sub-section

(5) of Section 135 of the said Act is not applicable and accordingly, reporting under clause 3(xx)(a) and 3(xx)(b) of the Order is not applicable for the year.

xxi. The company is not required to prepare consolidated financial statements and hence clause 3(xxi) of the Order regarding qualifications or adverse remarks by the auditors of the companies included in the consolidated financial statements is not applicable.

- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle

Operating cycle of the Company is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. As the Company's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

2.6. Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Difference between actual results and estimates are recognized in the period in which the results are known / materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

2.7. Foreign currencies

The Company's financial statements are presented in INR, which is also the Company's functional and presentation currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company's functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Differences arising on settlement of such transaction and on translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rate are recognized in profit or loss.

2.8. Impairment of assets

Consideration is given at each Balance Sheet date to determine whether there is any indication of impairment of the carrying amounts of the Company's assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount.

2.9. Property, plant and equipment

Property, plant and equipment are stated at historical cost, net of accumulated depreciation and accumulated impairment losses, if any. When significant parts of Property, plant and equipment are required to be replaced at intervals, the Company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in profit or loss as incurred.

Borrowing cost relating to acquisition / construction of fixed assets which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Capital work-in-progress comprises cost of fixed assets that are not yet installed and ready for their intended use at the balance sheet date.

Other Intangible Assets

Intangible assets acquired separately are measured on initial recognition at historical cost. Intangible assets have a finite life and are subsequently carried at cost less any accumulated amortization and accumulated impairment losses if any.

Intangible assets with finite lives are amortized over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is derecognized.

Estimated useful life

Assets	Estimated Useful life
Software	5 Years

Derecognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

Depreciation

Depreciation on property, other than Plant & Machinery is calculated on the basis of Written down Value Method. In case of Plant & Machinery, depreciation is provided on Straight Line Method (SLM)

basis. The depreciation on Property, Plant and Equipment are calculated as per Schedule II of Companies Act 2013.

Depreciation on property, Plant and Equipment purchased/sold during a period is proportionately charged for the period of use.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

2.10 Financial assets

Initial recognition and measurement:

All regular way purchases or sales of financial assets are recognized and derecognized on a trade date basis.

Subsequent measurement:

All recognized financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Classification of financial assets:

Financial assets that meet the following conditions are subsequently measured at amortized cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest.

All other financial asset is subsequently measured at fair value.

Financial assets at cost:

Investments in subsidiaries, associates and joint ventures are accounted for at cost.

Derecognition of financial assets:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received / receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

2.11. Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Trade and other payables are recognized at the transaction cost, which is its fair value, and subsequently measured at amortized cost.

Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

2.12 Inventories

Inventories are valued at lower of cost or net realizable value .Cost comprises of cost of Purchases, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on First-in-First-out (FIFO) basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.13. Cash and cash equivalent

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with a maturity of three months or less, which are subject to an insignificant risk of changes in value.

2.14. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

2.15. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company, the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold, and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

- a) Sales including export sales and trading sales are recognized when goods are dispatched from the factory and are recorded at net of shortages, claims settled, rate differences, rebate allowed to customers.
- b) Export Sales are booked at the rate on the date of transaction and the resultant gain or loss on realization on transaction is accounted as Exchange rate difference and is dealt with Statement of Profit and Loss.

2.16. Export Incentive

Export incentives under various schemes notified by government are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

2.17. Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective assets. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds.

2.18. Employee Benefits

(a) Short Term Employee Benefits

Short term employee benefits are recognized as an expense in the Profit & Loss Account of the year in which the related service is rendered. However Bonus has been accounted on cash Basis.

(b) Post-Employment Benefits

Post employment and other long term employee benefits are recognized as an expense in the Profit & Loss Account in the year of payment. Refer note no 34.

2.19. Taxes

Tax expense comprises of current income tax and deferred tax.

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

2.20. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the company's earnings per share in the net profit for the period.

3.0 Useful lives of property, plant and equipment

Useful lives of property, Plant & Equipments are taken as per useful lives given in Part-C of Schedule II to the Companies Act, 2013.

3.1 Investments

In case of investments, the Management assesses whether there is any indication of permanent impairment in the value of investments. (Refer note 36).

3.2 Taxes

Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies including estimates of temporary differences reversing on account of available benefits from the Income Tax Act, 1961. Deferred tax assets recognized to the extent of the corresponding deferred tax liability.

4.0 Regrouped, Recast, Reclassified

Figures of the earlier year have been regrouped or reclassified to conform to Ind AS presentation requirements.
